PETITION TO RESET PERIOD FOR REPLY DUE TO LATE
RECEIPT OF NOTICE TO FILE CORRECTED APPLICATION PAPERS

Dear Sir:

The applicant respectfully petitions to reset the period for replying to the Notice to File Corrected Application Papers, which apparently was mailed on June 3, 2004. Filed contemporaneously herewith is applicant's response to the Notice. The applicant, through its attorneys, first received a copy of the Notice at the correspondence address of record on November 19, 2004, as evidenced from the faxed copy sent from the PTO to applicant's attorneys. (Exhibit A). As of today's date, the applicant has not yet received the mailed copy of the Notice.

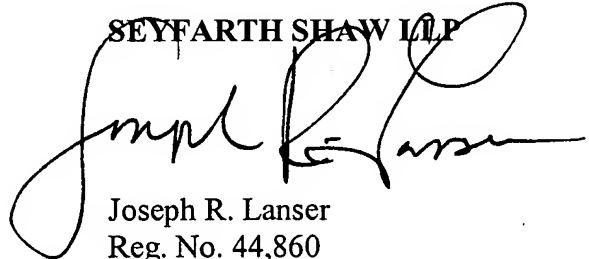

A copy of the Notice was never received by mail at the correspondence address for the above-captioned application. It was not until early November that applicant's attorneys, upon

noticing that a filing receipt was never received, contacted the PTO and inquired into the status of the above-captioned application. Ms. Preseton Wallace, of OIPE, told applicant's attorneys that a Filing Receipt and a Notice to File Corrected Applications Papers were mailed June 3, 2004, whereupon applicant's attorneys informed Ms. Wallace that such papers were never received. Ms. Wallace then faxed copies of the Notice and Filing Receipt on November 19, 2004. (See Exhibit A).

Since applicant never received a mailed copy of the Notice, the applicant respectfully requests to reset the reply date and asserts that no fees are due. However, if the PTO disagrees and there are fees due, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 19-1351.

Respectfully Submitted,
